1 of 1 review helpful Morton s of Chicago ring a bell By A Customer I found this to be a good guidebook but one glaring omission really has me ticked off The most famous and considered by many to be the best steakhouse in Chicago completely ignored Mr Savage apparently has no idea that the extremely famous Morton s of Chicago exists Chicago has become a world class cultural destination and a major convention site drawing more than 41 million visitors last year including 1 5 million international travelers Frommers Chicago covers it all with candid hotel and restaurant reviews a complete shoppers guide architectural highlights and the sports scene This year look for all new transit maps the very latest restaurants and nightspots and an earlier pub month than ever before
