1 of 1 review helpful Decent but flawed organization By Marcos Rand McNally is a standard that is overrated This particular atlas is not badly organized but could be much better It is currently outdated but even for 2008 it has its flaws Not enough neighborhood regional labels Roads are correct for the most part but districts county lines city lines township lines etc are less than satisfactory with some flaws This Street Guide to Will and Kendall Counties Illinois takes navigation to the next level Rand McNally Street Guides build on The Thomas Guide™ tradition that customers have come to trust and rely on Sales people delivery drivers dispatchers and other residents are turning to Rand McNally to cross town more quickly Features include regular updates to ensure that new streets and points of interest are included four color
