0 of 0 review helpful Lacking By Aston M Considering the higher price of this travel book I expected a bit more than average I would have liked better descriptions of the areas as well as some great itineraries I use these travel books to plan my journey because all the information is available in a single place But I have found that this book is lacking in itineraries photos and other aspects Rather disappointi Insiders Guide to nbsp Atlanta is the essential source for in depth travel and relocation information nbsp to the Georgia s largest city Written by a local and true insider nbsp this guide nbsp offers a personal and practical perspective of nbsp Atlanta and its surrounding environs From the Back Cover Your Travel Destination Your Home Your Home To Be
