about the cemetery and its haunted past A Self-Guided Tour of Savannah:

0 of 0 review helpful We liked the simple directions for walking By Liz Croft My husband and I are 60 somethings and we wanted a simple guide to use at our leisure and this did fit the bill We liked the simple directions for walking We did stray from the plan a few times which is expected My only suggestion would be to include stops on the way for restroom opportunities which is the main reason why we strayed But tha Welcome to Savannah Georgia You have chosen the best way to view one of the most beautiful cities in the country These easy to follow maps and accompanying guide will take you around the city in two walking tours approximately one hour and one and a half hours in length Walk Number One takes you to the south side of the Historic District and some of the city s most beautiful squares including Johnson Square the first square laid out by General James Oglethorpe Wal About the Author Maryann Jurkofsky has lived in Savannah for 20 years She is a licensed tour guide The nostalgia and architectural beauty of the city continues to fascinate her
