By Michael Freeman : Savannah's Monuments: The Untold Stories wdrb media is louisvilles number one source for news weather crime education sports and traffic information wdrb covers news from kentucky and southern indiana the hollywood reporter is your source for breaking news about hollywood and entertainment including movies tv reviews and industry blogs Savannah's Monuments: The Untold Stories:

0 of 0 review helpful Untold Stories and then some By M A Barnes This is a wonderfully written book It tells quite a bit of hidden Savannah history through the stories of the city s monuments And the written word is not boring it moves the reader along I hope I don t sound nit picking but there are some errors One caption has The Sgt Jasper monument in Monterey Square when it is in Madison Square and Isaia Learn the histories and behind closed door chronicles of 69 monuments in Savannah Georgia These shrines commemorate the Southern city rsquo s people and events celebrating sculptors and heroes Savannah rsquo s contributions to America rsquo s wars and its economic and innovative legacy Discover various ethnic groups who have contributed to the city rsquo s history through monuments such as the Jewish Burial Ground Marker where people still lay pebbles to honor tho About the Author Michael Freeman has been studying and lecturing about Savannah rsquo s monuments for over five years He holds a BA in history and an M Div in religion
