0 of 0 review helpful Nice book should be bigger By Rose Norman I enjoyed looking at this picture book but it would

have been a lot more enjoyable if the book were about twice as big It s maybe 7x9 maybe somewhat bigger and there are several pictures to a page usually with captions I guess they went for the cheapest format and maybe it would have cost twice as much to print it twice as big It would have been w For much of the 20th century Atlanta was a magnet drawing newcomers from around the nation Atlanta rsquo s growth from a small Southern town to a Sunbelt colossus in many ways parallels the changes that shaped America during those 100 years industrialization technological innovation suburbanization and battles over racial equality Largely overlooked in the Atlanta story however are the experiences of lesbians and gay men In a city governed by powerful business About the Author Images of America Gay and Lesbian Atlanta is an offshoot of an Atlanta History Center exhibition The Unspoken Past Atlanta Lesbian and Gay History 1940 ndash 1970 Most of the images are held in the collections of the James G Kenan Research
