4 of 4 review helpful map book review Atlanta Ga By Bruce W Turner Sr I drive a semi in the southeast and needed a new map book of Atlanta Ga This book is up to date with great detail The only problem why did they print in on 9 x 11 paper The pages are small and hard to read other map books use a larger format If it was larger print I would rate it a 5 but due to the small size a 3 My Jax and Miami books h Large scale atlas with street level detail showing Zip Codes block numbers schools hospitals points of interest shopping centers airports parks and much more Fully indexed Includes the city of Atlanta and the counties of Fulton Dekalb Cobb and more
