**By Isabelle Gournay : AIA Guide to the Architecture of Atlanta** involves members in a statewide effort to benefit the profession news career resources continuing education find a firm lectures tours and other programs and events for members and the general public AIA Guide to the Architecture of Atlanta:

0 of 0 review helpful Dated modernism serious omissions By Jon L Albee Because this book was written before the 1996 Olympics and organized around the major architects and firms practicing in Atlanta there are conspicuous omissions Unless the structure you wish to research has a brand name architect you know John Portman John Burgee Philip Johnson etc it won't be in here And if it's a church outside the city This lively guidebook surveys four hundred buildings within the Atlanta metropolitan area from the sleek marble and glass of the Coca Cola Tower to the lancet arches and onion domes of the Fox Theater from the quiet stateliness of Roswell's antebellum mansions to the art deco charms of the Varsity grill Published in conjunction with the Atlanta chapter of the American Institute of Architects it combines historical descriptive and critical commentary with more than As any traveler knows a good guidebook is a passport to discovery Even if you've lived here for years the new AIA Guide to the Architecture of Atlanta will probably turn a stroll into a historical cultural and aesthetic expedition The book
