5 of 6 review helpful thorough but lacking By goose The NFT is full of useful maps and some useful info But I am

dissapointed by the icons used to show location on the maps It is sometimes difficult to figure out where things are based on the icons because they are not numbered and there are often 15 coffee shops on one map Also some of the useful info that is included is not so useful I called the five cab service Not For Tourists Guide to Chicago features clear easy to read maps and graphics listings of key services restaurants shops schools entertainment venues public transportation parks pull out maps and more NFT Guides put everything residents need to take advantage of the wealth of local services and resources at their fingertips in a convenient size
