By Savannah Grace : Sihpromatum: I Grew My Boobs in China (Volume 1) Sihpromatum: I Grew My Boobs in China (Volume 1):

2 of 2 review helpful Magnificent adventure By Robert Krueger From the title the reader could assume this is a different kind of travel book which it is but not in the sense the title might suggest It is the story of a family's travels mother and three siblings far removed from the tourist path The chronicle is laced with humor and the difficulties of backpacking in Asia The narrator is Savannah who at the time SIHPROMATUM Sip row may tum is a memoir series of one family's four year backpacking adventure around the world The first installment I Grew my Boobs in China is the beginning of an intensely fascinating sobering and emotional memoir of Savannah's introspective and innovative family adventure In 2005 14 year old Savannah Grace's world is shattered when her mother unexpectedly announces that she and her family mother 45 brother 25 sister 17 wo Sihpromatum I Grew My Boobs in China by Savannah Grace is an enjoyable memoir Vividly written in colorful detail Savannah's adventure is unparalleled by anything that could have been written in fiction Sharing her emotions along with her observations
