Fishing Georgia (Regional Fishing Series):

1 of 1 review helpful A very good book By Richard Pratt The book is fairly through but has some years on it It gives good instructions on reaching locations and what to expect upon arrival I loaned out my original copy and bought this to replace it I am pleased with the book I would compare it to trout fishing in north georgia More than 100 of the best fishing sites in The Peach State From the Back Cover Fishing Georgia provides tips on technique and tackle and gives accurate directions to and descriptions of the best fishing site in the Peach state Trout anglers are in for a treat when they cast their lines on the 4 000 miles of trout
