1 of 1 review helpful Don t waste your money on no content By Susan This book is a total waste of money I did notice before I purchased that it s only 95 pages but since it said it was a concise guide I was not concerned It isn t concise it is practically empty of any useful content whatsoever The book uses an ENORMOUS font and large margins includes some cute graphics and presents very little info on any page A complete guide for everything you need to experience a great Long Weekend in Atlanta whether your trip takes you to Downtown Midtown Buckhead East Atlanta Inman Park or Little Five Points I'd been through the airport a hundred times before I ever had a chance to spend 2 days in Atlanta This book was just fine for me "Fred G Seattle" I actually live in Atlanta and bought this book as a joke I found three restaurants "About the Author" Delaplaine lives on South Beach Miami's Billion Dollar Sandbar He writes in widely varied fields screenplays novels adult and juvenile and journalism He also has a series of some respected Long Weekend Guides covering some 70 cities
