**By Stu Card, Donald Card : Savannah Food: A Delicious History (American Palate)** if you're a real foodie and want to indulge your palate without touching your wallet or your waistline a novel can be a great place to start these 50 boo from the masterminds who brought savannah the king and i tangerine fusion and sushi bar and ele fine fusion

comes fire street food a historic district eatery that Savannah Food: A Delicious History (American Palate):

0 of 0 review helpful Five Stars By Carla Morgan Well written and informative Savannah's remarkable cuisine is a reflection of its unique history Delicate local ingredients are balanced carefully using time honored techniques to produce unforgettable dishes Initially a colonial experiment of sorts Savannah became not only the first capital of Georgia but also the capital of all Lowcountry cuisine From the insolvent freed from debtors prisons to help seek new cash crops for England to the religious refugees from Austria Germany and the Scotts Documenting a food scene as rapidly evolving as Savannah's especially recently is a challenge But the new book Savannah Food A Delicious History by Stu and Donald Card does an admirable job of hitting the high spots and trends I'm a sucker
