2 of 2 review helpful Spot on for the author and his taste buds By Sgrbritches I was born in Atlanta I eat in Atlanta everyday I go to the restaurants he has high lighted in his cookbook and I order what he orders I haven t received my cookbook but I have seen it from friends that sought it out The only thing I can complain about is CASEY S DOG

located in Winder Georgia will be packed from now on I h We all remember a great meal The company the place and the food When it comes to memorable food the senses of taste and smell come to mind immediately However every restaurant knows that people in the truest sense eat with their eyes and minds And as much as a city can influence a restaurant so can also the restaurant define the city nbsp About the Author Steven W Siler is a firefighter cum chef serving both in the Deep South and the Pacific Northwest He is the best selling author of the nbsp Signature Tastes nbsp cookbook series Long marinated in the epicurean herita
