By Kunth Verlag : Atlanta (Fleximaps) Atlanta (Fleximaps):

0 of 0 review helpful Coated Paper Not Laminate By Nelson It s called a FlexiMap and that it s Laminated for durability but it appears to only be printed on a shiny plastic coated paper like a paperback book cover It is not like the Rand McNally Easy Finder maps that are visibly sandwiched between two large sheets of real plastic and then folded As far as the accuracy of the map I haven t taken my trip yet
