0 of 0 review helpful Disappointing By Michael A Kolber I really appreciated the NY version but this is pretty bad The same exact review for Burrito Brothers is repeated on nine pages just with different addresses This is not close to the only repetition I have been to some of these restaurants multiple times Reading these reviews I think they only went once to most of them There are a lot more vegi friendly r This groundbreaking series of guidebooks for vegetarian and vegan diners just keeps getting better ndash this season we rsquo re proud to release the VegOut Guide to Washington D C Veg Out guides virtually eliminate the difficulty of finding vegetarian and vegan offerings in a world of shish kabob street vendors and hot dog hawkers Veg Out Vegetarian Guide books are city specific and provide everything that a vegetarian or vegan diner needs to know From the Inside Flap Foreword Preface Acknowledgments About This Book Restaurants North Side Downtown South Side Suburban Cook County Collar Counties DuPage Kane Lake McHenry Will Community Supported Agriculture Delivery Services and Buying Clubs Ju
